Partnerships and Outreach Intern for Forest Service National Partnerships Office

Project Title	Partnerships and Outreach Intern for Forest Service National Partnerships Office
FIUIEU	Help create and manage training and outreach content for the Forest Service's National Partnership Office Partnerships on Every Forest team using social media tools (e.g. Twitter, Instagram, and Facebook presence) and online publications (e.g. PDFs, Infographics, etc.).
Country	United States

Project Description

You will work with the US Forest Service's National Partnerships(NPO) in communications and knowledge management, supporting storytelling, outreach, and staff learning. You will assist with a refresh of NPO's website; this will involve curating, tagging, and updating website content, such as adding new activities to that showcase the variety and scale of public-private sector partnerships in the Forest Service.

You will also support a database of Forest Service partnership facts, success stories, and national resources, greatly enhancing your understanding and knowledge of activities on our National Forests. You will have the opportunity to help identify the best field-based news for development into stories on the NPO Website, Forest Service blogs and Partnership Network platforms.
